**MADE IN ITALY**

WELLNESS, SPA & BEAUTY EQUIPMENT

# FLEXY

Professional beauty, massage, and relaxation beds with an elegant design, equipped with manual movement adjustment, a comfortable mattress, and high-capacity shelves for storing equipment, towels, and everything necessary to keep the cabin efficient and organized.

# AMOR

Thermal massage bed for wet treatments with multiple possibilities of use, including steam bath, Scottish shower, customizable color cycles, music, and aromas.

# SERENITY

The vibroacoustic bed that uses music for all essential forms of energetic stimulation, ideal for holistic applications, massages and wellness treatments in an enveloping atmosphere, with relaxing aromas and customizable color cycles for a unique and immersive sensory experience.

# EDEN

The modern reinterpretation of the Hammam table in a professional bed with a modern and elegant design, perfect for massages, wet treatments, and wellness rituals with warmth, music, aromas, and customizable color cycles.

# SALUS

Multifunctional professional bed for massages, beauty treatments, and wellness rituals. Equipped with a water mattress with hydro-massage function, music, warmth, aromas, customizable color cycles, and photobiostimulation.

# PANACEA

The professional bed that harnesses the therapeutic properties of heat combined with precious quartz sand grains, Himalayan salt crystals, or a water mattress, ideal for massages, beauty treatments, and wellness rituals in an evocative and relaxing atmosphere with music, aromas, and customizable color cycles.

# REBALANCE

Professional bed with a minimalist and elegant design, available with a water mattress, Himalayan salt crystals, or precious quartz sand grains. Ideal for massages and wellness rituals combined with warmth and customizable color cycles.

# MUSA

Modern professional bed, ideal for massages, beauty treatments, wellness rituals, and physiotherapy, with electronic movement adjustment and compartments for storing equipment, towels, and everything necessary to keep the cabin efficient and organized.

# MOOD UP

Professional bed with an elegant and functional design, featuring electronic movement adjustment and rounded compartments with sliding doors for storing everything necessary during treatments. Ideal for massages, beauty treatments, wellness rituals, and physiotherapy.

# **FIRST CLASS**

Top-of-range professional bed designed to guarantee total freedom of movement and maximum comfort. Equipped with electronic movement adjustment, compartments for storing equipment, the innovative Easy Clean mattress, and an "atmosphere" lighting system with customizable color cycles.
