BEST VALUE! PLATINUM SYSTEM

6/PORT PRO | 6 PADS
WITH **BONUS** 2/PORT
CONTROLLER

This package includes six (6) polychromatic therapy pads providing the power of over 1200 polychromatic LEDs.

- **6 PORT PRO** Controller
- **2 PORT** Controller
- **FACEMASK** 104 Blue & Red PLT
- **LOCAL** 132 Red & NIR PLT
- (2) **BODY** 264 Red & NIR PLT
- **PAINBUSTER** 180 Blue, Red, & NIR PLT
- **BODY** 264 Blue & NIR PLT

Inlight Therapy polychromatic light therapy devices are **FDA CLEARED** for Increased Circulation, and Pain Relief.

\$3,295 MSRP

6 PORT PRO | 4 PAD PAIN

This package includes four (4) polychromatic therapy pads providing the power of 680 polychromatic LEDs.

- **6 PORT PRO** Controller
- **FACEMASK** 104 Blue & Red PLT
- **LOCAL** 132 Red & NIR PLT
- **BODY** 264 Red & NIR PLT
- **PAINBUSTER** 180 Blue, Red, & NIR PLT

Inlight Therapy polychromatic light therapy devices are **FDA CLEARED** for Increased Circulation, and Pain Relief.

\$2,995 MSRP

6 PORT PRO | 3 PAD EXPANDABLE

This package includes three (3) polychromatic therapy pads providing the power of 500 polychromatic LEDs.

- **6 PORT PRO** Controller
- **FACEMASK** 104 Blue & Red PLT
- **LOCAL** 132 Red & NIR PLT
- **BODY** 264 Red & NIR PLT

Inlight Therapy polychromatic light therapy devices are **FDA CLEARED** for Increased Circulation, and Pain Relief.

\$1,495 MSRP

2 PORT | 2 PAD PAIN

\$550 MSRP

AVAILABLE ONLY: RED/NIR

T-PAD 263

- Flexible "T" shape neoprene therapy pad for ease of application anywhere on the body.
- Comfortably secured by a Velcro strap.
- 263 diodes of the polychromatic blend of red and infrared photon energy.
- 120 Red diodes (630 nm).
- 143 NIR diodes (850 nm).

RED | NIR

\$500 MSRP

OPTIONS: BLUE/NIR, RED/NIR, or BLUE/RED/NIR

BODY 264

- 8"x15" neoprene flexibility for ease of application anywhere on the body.
- Comfortably secured by a Velcro strap.
- 264 diodes of the polychromatic blend of red and infrared photon energy.
- 120 Red diodes (630 nm).
- 144 NIR diodes (850 nm).

BLUE | RED | NIR

\$450 MSRP

OPTIONS: BLUE/NIR, RED/NIR, or BLUE/RED/NIR

PAINBUSTER II 180

- 5"x16" neoprene flexibility for ease of application anywhere on the body.
- Comfortably secured by a Velcro strap.
- 180 diodes of the polychromatic blend of red and infrared photon energy.
- 80 Red diodes (630 nm) in each pad.
- 100 NIR diodes (850 nm) in each pad.

BLUE | RED | NIR

\$350 MSRP

OPTIONS: BLUE/NIR, RED/NIR, or BLUE/RED/NIR

LOCAL 132

- 8"x9" neoprene flexibility for ease of application anywhere on the body.
- Comfortably secured by a Velcro strap.
- 132 diodes of the polychromatic blend of red and infrared photon energy.
- 60 Red diodes (630 nm).
- 72 NIR diodes (850 nm).

BLUE | RED | NIR

\$250 MSRP

AVAILABLE ONLY: RED/NIR

PAINBUSTER 90

- 5"x8" neoprene flexibility for ease of application anywhere on the body.
- Comfortably secured by a Velcro strap.
- 90 diodes of the polychromatic blend of red and infrared photon energy.
- 40 Red diodes (630 nm) in each pad.
- 50 NIR diodes (850 nm) in each pad.

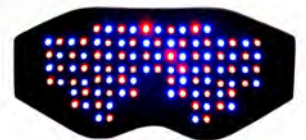

RED | NIR

\$250 MSRP

AVAILABLE ONLY: BLUE/RED

FACEMASK 104

- Ergonomic design for application over closed eyelids. Comfortably secured by a Velcro strap.
- 10.25" x 5" neoprene flexibility for ease of application anywhere on the skin.
- 104 diodes of the polychromatic blend of blue & red photon energy.
- 52 Blue diodes (470 nm).
- 52 Red diodes (630 nm).
