regarding the ACT Salt. Recently I started treatment at the Salt Of the Earth Wellness center. I have been using the salt booth with ACT salt and it has made a big difference in both my treatments and my overall health. I have had a persistent cough for over 25 years, and nothing has seemed to alleviate this. Since starting these treatments, my cough has been minimized and my lung capacity has increased. I feel that this is a direct result of this treatment, which I've only been using for a little over a month.
