

DISCLAIMER / RELEASE FORM

Salt Therapy is 100% natural, safe and drug free, providing effective long- term relief. It can be used as a complementary treatment to prescribed medications or as a sole treatment. When salt therapy is used as a complementary treatment, it can increase the effectiveness of prescribed medications and decrease the amount subscribed.

Although published studies do indicate that Salt Therapy has health benefits as an addition to more traditional forms of medicine, Salt of the Earth Sarasota, does not claim to be a replacement for medication or any medical treatment of any kind. Only your personal physician or other health professional can best advise you on matters of your health. The research supporting the use of Salt Therapy was undertaken outside of the USA and hasn't been filed with the FDA for approval.

Salt Therapy should be avoided during the acute phase of any illness, including the following: infections accompanied by fever, acute active tuberculosis, cardiac insufficiency, COPD in third stage, bleeding, spitting of blood, contagious ailments, have use of an oxygen tank to aid breathing, alcohol or drug intoxication, unstable or uncontrolled hypertension, and acute stages of respiratory diseases.

I, as a client of Salt of the Earth Sarasota, I hereby release Salt of the Earth Sarasota and its directors, officers, employees, agents and professional staff from all actions, causes of actions, suits, claims, liability, damages and demands of any kind, whether direct, indirect, special, exemplary or consequential, including interest therein of Salt of the Earth Sarasota which may occur as a result of any injury including death sustained by myself or others resulting from the receipt of Salt Therapy and other services.

I fully understand the above disclaimer and use Salt Therapy at my own risk.
